Served as Director of Lifelong Engagement and Clergy at a 500+ member congregation, leading family and youth programming, including oversight of the religious school. Provided full clergy support, including pastoral care, life-cycle events, worship leadership, and congregational programming. Worked with a diverse, multigenerational membership to foster inclusive community engagement and spiritual growth.

Avodah -

Worship

- Provided and developed inclusive Shabbat and festival worship emphasizing family participation and intergenerational connection including family High Holy Day services and programs, Religious School Shabbats, and musical festive services.
- Offered professional musical leadership through song-leading skills using both voice and guitar. This included new repertoire to Shabbat and festive services and professional performance of Jewish worship music.

Education

- Led a comprehensive renewal of the Religious School curriculum, integrating established and innovative programs (*Chair Curriculum, Moving Traditions, Shalom Learning and IMPJ Education Connection*) to enhance Judaic, Hebrew, and Israel learning.
- Developed and implemented a long-term b'nei mitzvah program that fostered student participation in the congregation.
- Provided, designed, and facilitated adult learning programs that included Torah study, Jewish holiday learning, and Israel education in the wake of October 7th, which strengthened communal learning and spiritual growth.

Programming

- Facilitated engagement through guest lecturers and scholar programs.
- Directed congregation-wide holiday programming, including Chanukah, Purim and High Holy Day events that cultivated intergenerational participation.

Relational -

- Provided pastoral guidance grounded in empathy, including leading life-cycle events with professionalism.
- Implemented institutional structure by designing SOPs for youth and family programming and pastoral care to promote clarity, consistency, and staff alignment.
- Advanced congregational vitality through outreach and relationship-building, achieving significant growth in membership over position's tenure.

Development -

- Advanced the congregation's financial sustainability by cultivating strong donor relationships and securing funding for innovative youth and family programming.
- Obtained external funding and grants for enriched education and learning opportunities for the congregation.

Student Rabbi

Mt. Zion Congregation - Sioux Falls, SD
The Synagogue of the Hills - Rapid City, SD

August 2019 - April 2022

Served as a student rabbi during rabbinical school for two small Reform congregations in South Dakota either monthly or bi-weekly. Provided clergy support by leading Shabbat and holiday worship in addition to Torah study and adult education classes. Cultivated strong relationships while improving on pastoral and rabbinic leadership skills.

- Led through classical rabbinic training and song-leading skills meaningful worship services.
- Created and facilitated educational classes that explored modern connections to Jewish tradition, stories, and values.
- Provided pastoral care and life-cycle services to members in person, on the phone or virtually.
- Taught religious school education to young students of the congregations.
